

NEW!! IMHOA 2009 High Point

1. The horse/pony must be owned by an IMHOA member, Adult or Youth, in good standing. The horse must also be shown by an IMHOA member, Adult or Youth, in good standing (does not have to be the same person).
2. You must fill in the form for ***each horse*** you wish to enroll in the highpoint program for 2009. A fee of \$5.00 ***per horse*** will help to defray the costs of the awards. The form and the fee must be received by the point chair before your points will count.
3. The point chair will compile the points from results posted on the horsestudbook.com website for all shows in Illinois. Your equines points do not start until the fee and form have been received and if the horse is sold and the new owner becomes an IMHOA member the points will follow the horse.
4. The points will be tallied and awards given at the IMHOA Fall General Membership Meeting. **Funds spent on these awards will be \$2500 plus the fees collected.**
