

2010 JANUARY/FEBRUARY

Illinois Miniature Horse Owners Association

President's Update

The New Year is well underway for IMHOA 2010. As the club moves forward with the plans for the 2010 Area IV Nationals Show in June at Gordyville. Also things are going forward with the Fall Fling and Futurity Show in August at DuQuoin. One of the things I want to stress this year is we all are in the same boat in this economic times but we still have to have fun in our lives and horse shows are a great way to have fun. Come on out and just have a good time.

Our General membership meetings are set for March 13 and November 13 at the community Center in Carlock, IL. This is your club, come and join us at the meetings to make decisions concerning your club. Come out and have a great time with fellowship with others who have the same interest in small equine that you do. We are planning that those that would like to bring food to share with others are encouraged to do so but it is not required you bring anything. This is something we seem to be getting away from spending too much time on details and not enough time on friends. Life is too short to keep saying next time we will take time to visit. Are you sure that next time will come so mark your calendar and try to make the meetings.

Keep watching your IMHOA website for updates and changes and our club newsletter that is coming out bimonthly is a great way to keep in touch. The newsletter also gives you an opportunity to advertise your farm or business. Business card ads are only \$15 for 6 issues. Remember this also is posted on our website and goes not only to our membership but on the web all around the world.

Good luck to all in the 2010 not only in your foaling and showing but in your day to day life.
